March 27
Sunday

Welcome to the Day-O version of the two orienteering events available this weekend at Little Bennett Park. A full set of 7 courses will be available (2 beginner, 1 intermediate, and 4 advanced), along with free beginner instruction as usual. This meet will feature a newly mapped section of Little Bennett Regional Park, mapped by course setter Sam Listwak using a LiDAR basemap, for the White, Yellow, Orange and Brown courses, while the Green, Red and Blue courses will start on the new map then switch over to and end on the older Little Bennett map that the Club has used for years. Full details about the courses are below. Registration, start and finish will be in the large parking lot off of Prescott Road; note that this is NOT accessed via the main park entrance.

Any youth or large groups attending, please contact the [Meet Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

Updates:

- Advance registration is now available [HERE](#) [5] via our pop-up form.
- Please follow the parking instructions of the parking staff when you arrive.
- The Golf course is OUT OF BOUNDS, so if you find yourself there, you might want to take a better look at your map
- None of the courses (except for the Blue) cross Clarksburg Road or even have it as a valid route choice.
