QOC Jerseys

We are taking orders until 11:59pm April 21 for QOC short sleeve jerseys, with delivery anticipated in early June. We will have the sizing kits available at the April 6 and April 21 events; when you are ready to place your order here [click here](#) [1].

Our QOC jerseys are made of a 100% polyester technical fabric designed for active sports and using Scotchgard Protector, a sweat-wicking technology. Designed for maximum comfort, easy washing and quick drying, all are short-sleeved* and include a neck zipper. Unisex jerseys are available in 7 sizes (XS-3XL), and women's jerseys are available in 6 sizes (XS-2XL); sizing charts in both imperial and metric units are in [this PDF](#) [2]. *[Note: we recommend sizing up if you're between sizes, and maybe even if not. These run small!]* Most importantly, these are the best looking and most comfortable orienteering jerseys we've had yet!

**note: see below*

The Designs: Designs are fully sublimation printed for longevity. Here's the classic design and the new design.

Orienteering Gear Vendors

A list of vendors of orienteering gear and services can be found on the Orienteering USA website [here](#) [3].

QOC Maryland License Plates

As the first orienteering club in the world with this privilege, QOC members with vehicles registered in Maryland are able to show their enthusiasm for orienteering with QOC's own custom license plates. All it takes is one form plus a check for \$25, sent directly to the Maryland MVA, and they will mail you the next available number as your very own set of QOC tags along with new registration stickers. To receive the form, just request an application kit from our [Club President](#) [5] and of course feel free to ask any additional questions about this exciting program.

P.S. Many of you have asked why QOC only has specialty tags from MD, and not VA. The reason is that the requirements vary by state, and VA's minimum first order is 450.
