QOC Jerseys

Our QOC jerseys are made of a 100% polyester technical fabric designed for active sports and using Scotchgard Protector, a sweat-wicking technology. Our jerseys include fully sublimation printing for longevity. Priced to include including shipping, and designed for maximum comfort, easy washing and quick drying. Short-sleeved jerseys have a neck zipper. Unisex jerseys are available in 7 sizes (XS-3XL), and women's jerseys are available in 6 sizes (XS-2XL); sizing charts in both imperial and metric units are in [this PDF \[2\]](#). [*Note: we recommend sizing up if you're between sizes, and maybe even if not. These run small!*] Most importantly, these are the best looking and most comfortable orienteering jerseys we've had yet!

QOC Short Sleeve Jerseys: Both unisex and women's styles (i.e. cuts) are available; both have mesh side panels. All-inclusive jersey cost for either cut is \$59.

TRACE JACKET

Mena, a 3-layer softshell jacket, offers high thermal insulation, breathability, and a high waterproof rating. The outer layer is waterproof, the middle layer breathes outwards and blocks wind, and the inner layer absorbs moisture and regulates temperature. This jacket includes a hood and front zipper pockets. Cost is **\$129**.

QOC Maryland License Plates

As the first orienteering club in the world with this privilege, QOC members with vehicles registered in Maryland are able to show their enthusiasm for orienteering with QOC's own custom license plates. All it takes is one form plus a check for \$25, sent directly to the Maryland MVA, and they will mail you the next available number as your very own set of QOC tags along with new registration stickers. To receive the form, just request an application kit from our [Club President](#) [10] and of course feel free to ask any additional questions about this exciting program.

P.S. Many of you have asked why QOC only has specialty tags from MD, and not VA. The reason is that the requirements vary by state, and VA's minimum first order is 450.
