

Tomahawk Tumble Mountain Bike Orienteering

[ShareThis](#) [1]

November 13 Saturday

Update Due to popular demand, we will be allowing day-of-registration, as long as we still have course maps on hand (no guarantee). There will also be a \$5 surcharge for day-of registration; please allow extra time to register for an epunch if you will be borrowing one. If you have pre-registered, just pick up your race packet and bib number (+ epunch for many of you) and attend a race briefing. There's so much to say about this first-of-its-kind event that you'll - eventually - want to check out the great [Race Bulletin](#) [2] prepared especially for this event! Here's a quick summary though to get you started: QOC's first mountain bike orienteering event will be a fundraiser for the national team, and will feature 4 courses centered around Lake Accotink. The longest course will include sections of Wakefield Park. Please study the course (and class) selections described in the Race Bulletin carefully **before** you begin your pre-registration, so you'll understand all the options! Entry Fees: For QOC members: age 21+, \$12; ages 18-20, \$10; ages 14-17, \$8 For non-QOC members: ages 21+, \$20; ages 18-20, \$16; ages 14-17, \$12 Participants must be 14 or older. If you're not already a member, feel free to [join QOC](#) [3] first in order to qualify for QOC member prices. Courses, competition classes, award categories, and full event information is detailed in the accompanying [Race Bulletin](#) [2] (PDF format), but if you have additional questions just contact us. We look forward to a great event!
