

Rosaryville MTB-O

[ShareThis](#) [1]

May 7 Saturday

This is the rescheduled date for the mountain bike orienteering courses that were rained out in March. The two courses to be offered are a short course of 7.0km (13 controls) and a long course of 13.5km (17 controls), both measured as the crow flies between control locations - the distance to cycle on the shortest possible route for each course will be somewhat longer. We'll be sticking with the fee structure we intended to use in March. The map fee will be \$6 for members/\$10 for non-members for people who register by midnight Thursday, \$10 for members/\$15 for non-members for anyone registering after that or showing up to register on-site on Saturday. Some extra maps will be printed but not an unlimited quantity. To register and guarantee yourself a map, send email with your name, desired course, and, since it appears we are going to be able to swing e-punching, your e-punch number if you have one to jon.torrance@gmail.com by Thursday evening.

Location

Rosaryville State Park, Pavilion parking area,
Rosaryville, MD (Mountain Bike Orienteering)

Registration

Advance registration by email before midnight on Thursday is requested but not absolutely required. See above for details.

Start Times

You may start your course at any time during the start window listed below for your event. Courses will close at 4pm.
