

QOC Member Qualifies for the US WOC Team

 [Ken Walker just finished Middle.JPG](#) [1]

At the US Team Trials last weekend, QOC member, Ken Walker Jr. qualified for the US team which will compete in the World Orienteering Championships in France this August with solid performances in the sprint, long and particularly, clinching his place on the team on the last day of the weekend, middle distance races. We wish him a good summer of training and good luck in the highly technical terrain the French promise for the races.
