April 28 Saturday

Please note that with mountain bike orienteering planned in the morning, this event will not run on the schedule that has been usual this season. Instead starts will be offered from noon to 2pm with courses closing at 4pm, as was the practice at this time of year before this season. That said, Patti and Mark Mace have been hard at work on courses so here's hoping we get a fine spring day on which to enjoy them. The Maces will also bring the club library to the event.

Update: The meet registration area is in a covered pavilion with a couple of grills and picnic tables. Meet Directors John & Jody Landers will have the charcoal grills going by 12:30 and will supply a limited number of hot dogs and rolls for finishers. Participants are encouraged to bring a picnic lunch and something to grill for themselves.
