

35th Annual Maryland Scout Orienteering Day

[ShareThis](#) [1]

October 29 Saturday

This event is organized every year by the Baltimore Area Council of the Boy Scouts of America, largely through the efforts of QOC member, Dave Linthicum. We love to see scout groups at our regular QOC events, of course, but we can't recommend this highly enough if you want to give your scout troop an excellent intensive orienteering experience. This year's event will be held at the Broad Creek Memorial Scout Reservation in northeastern MD. For detailed information, please visit the [Baltimore Area Council web site](#) [2] and use their search function with the keyword "orienteering".
