

Stumble Results

Many QOC members have our friends at Susquehanna Valley Orienteering to thank for a fine time at the apparently not unlucky 13th Susquehanna Stumble held at Elk Neck State Park this past Sunday. Notable QOC results include first and second in the long Stumble for Brian Mayer and Jon Torrance, Valerie Meyer and Heidi Onkst part of a three way tie for first female in the short Stumble, and Greg Lennon, Tom Nolan, Sam Listwak and Tom Wells taking second, third, fourth and sixth place among males in the short Stumble. Also, Peggy Dickison could unofficially claim first female in the short if she hadn't been running it as part of a tag team effort with husband, Nadim Ahmed. Check out the [full results](#) [2]. Pictured, courtesy of Amy Loudon, is Gary Smith finishing the short Stumble.
