Official results are in - QOC won the Mid-Atlantic Championships hosted by DVOA on November 20th, with 148 points for QOC to 98 points for DVOA. Thanks to all the QOC members who showed up far from home to make that possible (with some help from a slightly lower turnout from DVOA than they typically muster when they host the event) including one-time QOC president and long-time QOC member Kris Beecroft (pictured, talking to Peggy Dickison), who came on her own all the way from her current abode in New Jersey. We'll hope to see a spirited effort from DVOA to take back the Broken Compass trophy next year when QOC once more hosts the Mid-Atlantics.
