

Occoquan

[ShareThis](#) [1]

**February 10
Sunday**

Having orienteered in this park for the first time last spring, QOC will return with a much improved map featuring new LiDAR-based contours and new fieldwork by Jon Torrance. Final course details are now posted. The white, yellow and orange courses will be more or less in line with typical QOC local event courses. [**Note:** White, yellow and orange courses may be at the limit of difficulty for their respective levels; less advanced orienteers are advised **not** to try a new/harder level of course than they are used to at this event, and if they've been alternating between two levels, choose the easier at least for their first course of the day and then assess if they wish to try the harder.] The advanced brown, green and red courses are intended to have more of a middle distance flavor. If you will be bringing a large group (youth or otherwise), please contact Event Director [Gary Smith](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

Additional information:

- Registration is at the pavilion shown in the photo.
- Dogs are welcome, but please keep them on a leash at all times.
- Full restroom facilities will be available a short walk away from the pavilion.
- There are no entrance or parking fees at this venue.
- GPS watches will be available for loan from Jon Torrance for those who wish to track their routes.
- Have any questions? Just use our handy [Contact Us](#) [5] form.

Free Pizza Special! ZPIZZA is offering all orienteers a **free slice of pizza** with the purchase of any beverage this Sunday afternoon; use code "QOC" or just wave your Occoquan map. Known for their [menu](#) [6] featuring healthy sandwiches, salads and gluten-free pizza, and rated highly by plenty of QOC orienteers. Located ([here](#) [7]) just east of the I-95/Lorton exit 163; you can get there easily after the event by taking a right turn out of the park onto Ox Road, then a right onto Lorton Rd and staying right until just after the I-95 overpass. There's also a Quizno's and a Starbucks next door if that's more your style.

Nearby attraction: The Lorton [Art Center](#) [8], perhaps best visited after the orienteering event. Turn right onto Route 123 when exiting the park, and then take the next right turn. When leaving the Art Center go out the side entrance and then turn right onto Lorton Road. Follow Lorton Road back to I-95 exit 163.

Location Occoquan Regional Park, Shelter 4 Parking Area, Lorton, VA (Classic Orienteering)

Registration No advance registration required. Just show up and have fun!

Start Times You may start your course at any time during the start window listed below for your event.
