Directions

From the East: Take I-270 North from the I-495 Beltway, exit at Old Georgetown Rd (going north), and then immediately work your way left on Old Georgetown to turn left on Tuckerman. Turn left into the park after the underpass. From the South: Take I-270 North from the I-495 Beltway, exit at Democracy Blvd, going west. Turn right on Westlake (at the Exxon/Shell station), then eventually left on Tuckerman. Turn left into the park very soon after the left turn onto Tuckerman. From the North: Going south on I-270, exit at Montrose Rd (west). Turn left to go south on Seven Locks, then eventually left (east) on Tuckerman. Turn right into the park before the second traffic light (and before the underpass).

Take I-270 to Democracy Blvd. Merge onto Democracy Boulevard heading west and go 0.3 miles, just beyond the Montgomery Mall. **[Note:** This exit is not accessible coming west on the Beltway; click the Google Maps link for directions.] Then turn RIGHT onto Westlake Drive, at the joint Exxon/Shell gas station. In just 0.1 miles, after the second light, turn left at the signs to enter this part of Cabin John park. Drive straight to the T intersection and stop sign; then turn right and follow around to the parking area to the left beyond the ice rink parking area. DO NOT PARK in the area directly south of the ice rink entrance - it is reserved for ice rink users and is quite busy on weekends. Park closer to the small buildings and ticket building near Shirley Povich field, where our registration area will be located.
