**November 3
Sunday**

Welcome to the first ever day-orienteering event at this unique venue! This webpage describes the traditional beginner (white and yellow), intermediate (orange) and advanced (green) courses that course setter Sam Listwak has designed and that will be offered during our usual start window. [To minimize confusion, the "other event" - the Cowboy Relay - being held together with this event now has it's [own webpage here](#) [2].] Curious what the terrain looks like? Take a ride around courtesy of the YouTube video below, and imagine running through both these fields and the woods you see off to the sides! [Things speed up after the first minute...]

Update: Course details are now posted below.

New Feature! This event will be run out of 'Cafe Morven'; after you download your results, plan on buying some food or a drink, and enjoy the apres-orienteering atmosphere. Want to see the menu? Click [here](#) [3].

Any youth or large groups attending, please contact the [Event Director](#) [4] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [5] is part of the information on our [Group Leaders](#) [6] page.

And in terms of additional information:

- A National Register Historic Property, [Morven Park](#) [7] was for 40 years the home of Virginia Gov. Westmoreland Davis. Now a private park, more than 100,000 people visit it each year, primarily for it's [equestrian center](#) [8] and courses, museums, historic gardens, [sports fields](#) [9] and festivals (like [this one](#) [10]).
- There will not be an entrance fee.
- Tours of the Governors Mansion will be available from noon - 4pm (last admittance 3pm); details [here](#) [11].
- The course will be set almost entirely in the less steep, open field areas, but there's also an area with big (bus size!) rocks.
- For these classic courses (W, Y, O, G), the start window is the traditional 11 - 1:30. Please register between 10:45 - 1:15, and be off the courses by 3pm. Don't forget to set your clocks back late Saturday night!
- Dogs are welcome but must be leashed at all times.

- Large and/or youth groups must contact us in advance if interested in attending.
- Driving from Maryland? Consider using the relatively close [White's Ferry](#) [12] crossing.
- Seeing a blank square area to the right of this text? Refresh this browser page.
