Welcome back to Hemlock Overlook Regional Park, on the banks of the Occoquan. We'll have a full set of courses, from beginner to advanced, at this penultimate event of the season. This event will also feature a new version of the Hemlock map, field checked this winter and spring starting from a new LiDAR-derived contour basemap.

Event timing will be standard: register anytime between 10:45 - 1:15, start between 11 - 1:30, and be back before the controls start being picked up at 3pm. Course and map details are below. Dogs on leash are welcome at this park.

Any youth or large groups attending this event should contact the [Event Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.
