### Location Details

**Classic** From I-95 southbound, Meadowood take exit 163 at Lorton, SRMA then take a left at the West bottom of the ramps onto parking area Lorton Rd. Travel Lorton, VA approximately .2 miles to [Google Map](#) Lorton Market Street, and [2] take a right. Continue approximately .6 miles to Gunston Cove Rd. and continue straight at the stop sign. Continue .4 miles to Rt. 1, and straight through the traffic light onto Gunston Rd. Go about .7 miles on Gunston Rd. to Old Colchester Rd., take a right and continue another .7 miles to our trailhead at 10207 Old Colchester Rd.  
From I-95 northbound, take US 1 exit. At the first street, about .25 miles, right onto Hassett Street. At the end of the street (about .2 miles) turn left onto Old Colchester Road. The trailhead would be on the right in about .3 miles. Do not park in the small

parking lot near Old Colchester Road. At the gate into the park, we would have someone to tell you where to park. Car pool if you can since we may have only 50 parking spaces!!  
 Note: I-95 can be slow. If you coming from Maryland on the Wilson Bridge, you may use Telegraph Road South. At US 1, continue straight and the road become Old Colchester Road. The first stop sign is Gunston Road. If you are coming from the west, one can take the Fairfax County Parkway to either 123 or Hooes Road. South to Silverbrook. Left turn and go to Lorton Road.
