

Post Super Bowl Saturday Bumble at Morven Park

[ShareThis](#) [1]

**February 7
Saturday**

Our annual Bumble tradition continues with a slight change - we had to shift the date to be a week later. So this year it's the 3rd (Post) Super Bowl Saturday Bumble, and this year, it's at [Morven Park](#) [2]! And to add more fun to the day, the event will be followed by our **Winter Meeting and Pot Luck Party** (YUM!) Please bring a dish to share and click [here](#) [3] for a PDF with more details.

Our course designer & Head Bumble, David Onkst, has once again set up an enjoyable and challenging Mass Start event along with White, Yellow and Orange courses too (PLEASE read the course notes below for important details). The registration (and winter meeting) location will be in the Carriage Museum Meeting Room (back side of the museum; follow signs when walking the ~500 meters from the parking area to the room entrance).

There is plenty of parking in the main lot however there are no "painted lines" so please be thoughtful and park close enough so other visitors have space. There are indoor bathrooms at the parking lot and it's just a short walk to the museum (which also has bathrooms).

Because of the mass start we will open registration at 10:30am. If you'll be doing the mass start, please be sure to arrive well before noon to avoid a last minute rush (to fill time, you can always visit the [Presidentially Pardoned Thanksgiving Turkeys](#) [4] whose pen is about 100 meters away!)

Important notes:

- Beginners are welcome at this event (just like at 99% of our events!)
- Those participating on the Pink, Red or Blue course MAY need to have an SI-6 or newer e-punch to hold the high number of controls. These will be provided free-of-charge for those who own their own punch but need an upgrade and for the usual fee for those with no e-punch of their own.
- Beginner (White, Yellow) and intermediate (Orange) courses will have regular starts from 11:00am to 1:30pm.
- The advanced (Brown, Green, Red, Blue) courses will have a MASS START at Noon. Please be ready for the PRE-RACE briefing near the start at 11:45am.
- **Red** (not Pink) and Blue course runners will need an SI-6 or newer e-punch to hold the high number of controls. These will be provided free-of-charge for those who own their own punch but need an upgrade and for the usual fee for those with no e-punch of their own.
- Everyone must be out of the woods and back at the registration/finish area by 3:00pm, which is when we will begin picking up the controls.
- Dogs on leashes are welcome in the park but are NOT allowed in the Carriage Museum meeting room.
- Know someone who might like to orienteer or hang out at the party but not both? Suggest they go join a Morven Park [Tour](#) [5].
- Please do **NOT** walk/run/play on the large lawn directly in front of the Mansion. This area is denoted as out-of-bounds with purple lines on the course maps.
- **Youth and Large Groups::** please contact the Event Director so that we can coordinate pre-registration for your group and work out what your group will bring to the potluck if you are staying for it; the group registration and waiver form is part of the information on our Group Leaders page.

Looking forward to seeing you soon! Please feel free to contact the Event Director ([link below](#)) with questions.

Location

[Morven Park, Southern Parking Area, Leesburg, VA \(Classic w Bumble\)](#)

Registration

[No advance registration required. Just show up and have fun!](#)

Start Times

[There will be a mass start at noon for the Bumble. Beginner and intermediate course runners, though, may start anytime between 11 - 1:30 except for a brief period around noon when it might just be too confusing. Everyone must be back to download no later than 3pm.](#)
