**October 18
Sunday**

The site of last year's US Night

Orienteering Champs, Oregon Ridge is one of our favorite parks - the woods are great for both on- and off-trail running, and there are plenty of amenities nearby including a very family-friendly Nature Center.

We will have the classic set of orienteering courses on offer (beginner/white through advanced/blue). Register anytime between 10:45 - 1:15, start some time between 11 - 1:30, and by whatever means necessary be back no later than 3pm.

Any youth or large groups attending, please contact the [Event Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

While [Oregon Ridge Park](#) [5] hosts a fine [Nature Center](#) [6] a bit away from this year's registration area, we will have the use of the nearby lodge restroom facilities. Of additional note:

- The park has a large playground near our registration area.
- Dogs are welcome in the park, but must be on a leash at all times.
- Geocachers take note - several favored caches are in this park.
- Free beginner instruction is available as always - just ask at registration.

Post-Event Socializing: There's a huge 'Market Cafe' in the Wegman's just 5 minutes (2 miles) east of Oregon Ridge on Shawan Road, just east of I-83 exit 20, with many food selections and plenty of sit-whenever-you-like seating on the second floor (store & market cafe map [here](#) [7]). It's a fine place to meet up and compare maps, whether you're having just a coffee or soda or a full meal, and it's suitable for both kids and adults. Yelp review of this store with over 20 photos [here](#) [8].
