Come enjoy a full set of courses in this classic QOC terrain, courtesy of Course Setter (US team member) Hannah Culberg. The full range of courses - on an updated map no less - includes white (beginner) through blue (advanced). No preregistration is needed, and event timing is: registration open from 10:45am - 1:15pm, start anytime between 11am - 1:30pm, and be out of the woods by 3:00pm. Full course details and course setter comments are posted below.

As usual, youth groups and other large groups planning to attend this event should contact the [Event Director](#) [2] in advance so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

Additional information:

- As long as it's dry enough, the nearby mountain bike course is expected to be open (weather dependent), so bring your bike and get a great ride before or after running an orienteering course. PDF map via [this page](#) [5]. In case of rain, call the trail hotline at 703-250-9124 to check on status.
- Carpooling is encouraged as a courtesy to other park users.
- Dogs on leash are welcome.
- GPS watch loaner program continues, for anyone interested in trying one out. See Jon Torrance at

the event.

- FYI: at this time of year, the miniature golf course and the marina (including boat rental) are also open.
- Feel free to use our [Contact Us](#) [6] form if you have any questions!
