Welcome to orienteering in 2016 with QOC! Come enjoy a full set of courses in this classic QOC terrain, courtesy of Course Setter Jon Campbell. The full range of courses from white (beginner) through blue (advanced) will be on offer. No preregistration is needed, and event timing will be as follows: registration will be open from 10:45am - 1:15pm, you can start anytime between 11am - 1:30pm, and everyone must be out of the woods by 3:00pm.

As usual, youth groups and other large groups planning to attend this event should contact the [Event Director](#) [2] in advance so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page. Additional information:

- As long as it's dry enough, the nearby mountain bike course is expected to be open (weather dependent), so bring your bike and get a great ride before or after running an orienteering course. PDF map via [this page](#) [5]. In case of rain, call the trail hotline at 703-250-9124 to check on status.
- Speaking of the MTB trails: some orange through blue course legs do cross them. You may cross the trails but **do not run (or linger) on them.**
- Extensive map and course notes are now posted below.
- Carpooling is encouraged as a courtesy to other park users.
- Dogs on leash are welcome.
- GPS watch loaner program continues, for anyone interested in trying one out. See Jon Torrance at

the event.

- FYI: at this time of year, the miniature golf course and the marina are closed.
- This event offers day-of registration, but for our Jan. 24 event Quantico Marine Base event, you must sign up in advance between Jan. 1 - Jan. 10. Actual course registration (and payment) will be at the event.
- Feel free to use our [Contact Us](#) [6] form if you have any questions!
