**February 6  
Saturday**

**UPDATE 4 FEB:** There has been enough snowmelt in the park that we are **ALL SYSTEMS GO!!** That said, be sure to bring a change of socks/shoes for after the event as your feet will get wet and muddy. Gaiters are also advised for advanced course runners.

February means BUMBLE time! Come out and join us for the **4th Super Bowl Saturday Bumble!** In addition to a Mass Start event for advanced courses, there will also be White, Yellow and Orange level courses available. **PLEASE** read the notes below for important details about this unique QOC and fun tradition designed by Head Bumble, David Onkst.

Registration will be in the **Hawk's Reach Activity Center**, which is heated and has an indoor restroom. Since we have a warm place to gather, feel free to bring a lunch or snacks and hang out! You can discuss your route choices, compare "window" sequences, and join in recognizing the Bumble winners.

**Parking will be tight, so carpooling is encouraged and appreciated.** There are a limited number of spots in front of the Activity Center so once they fill up, please drive a bit further up the road to park in Campground E; overflow will then be in Camp Ground D. We will have volunteers guiding you to use the camping pull off spots and we need to try to get two cars in each (it's OK to be on the "shell or gravel" that edges each platform). So please be thoughtful when pulling in. Also, please do NOT park on the dirt shoulders.

Because of the mass start we will **open registration at 10:30am**. Please be sure to arrive early to avoid a last minute rush.

### **Important notes:**

- Beginners are welcome at this event (just like at 99% of our events!)
- Those participating on the Red- or Blue-equivalent course **WILL** need to have an SI-6 or newer e-punch to hold the high number of controls. These will be provided free-of-charge for those who own their own punch but need an upgrade and for the usual fee for those with no e-punch of their own.
- Beginner (White, Yellow) and intermediate (Orange) courses will have regular starts from 11:00am to 1:30pm.

- The advanced (Beige, Brown, Mint, Green, Pink, Red, Blue) courses will have a MASS START at Noon. Please be ready for the PRE-RACE briefing near the start at 11:45am. The advanced map scale is 1:10,000.
- Everyone must be out of the woods and back at the registration/finish area by 3:00pm, which is when we will begin picking up the controls.
- Dogs on leashes are welcome in the park, but they must be on leashes.

Any youth or large groups attending, please contact the [Event Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

We're looking forward to seeing you soon! Please feel free to contact the Event Director (link below) with questions.

**Registration**

No advance registration required. Just show up and have fun!
