May 22
Sunday

Those of you who know Fountainhead know that some of the best orienteering is fairly far north of the area where we usually assemble - so now we have a new assembly area, near the Bull Run Marina at the north end of Fountainhead. That means course setter Francis Hogle will have the opportunity to introduce many orienteers to the delights of "the northern peninsula".

A full set of courses is planned, and event timing is standard: register between 10:45am - 1:15pm, start anytime between 11am - 1:30pm, and be out of the woods by 3:00pm. Full course details and course setter comments will be posted closer to the event date.

As usual, youth groups and other large groups planning to attend this event should contact the [Event Director](#) [2] in advance so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

Additional information:

- We will be using a parking area on the south side of Old Yates Ford Rd, just a bit east of the actual marina.
- The area immediately south of our (new) assembly is only preliminarily mapped; for intermediate and advanced orienteers, this area will serve as a **2.5km warmup** to the classic terrain even further south.

- Carpooling is encouraged as a courtesy to other park users.
- Dogs on leash are welcome.

Note: The last event of our Sept. - June season will be June 12 at Jug Bay. If you're looking for an adventure over the weekend of June 4/5, check out DVOA's Water Gap Rogaine & Sprint weekend, which at least 20 QOC members will be attending. Register before June 1 to avoid a price hike. Event flyer is [here](#) [5] and the registration site is [here](#) [6].
