**December 4
Sunday**

In addition to regular (foot) orienteering, we are pleased to introduce mountain bike orienteering (MTBO) at this popular venue. We expect to offer a full set of classic courses (white through blue) in addition to several MTBO courses; details for all courses are now posted below. Timing may change slightly, but tentatively we are expecting MTBO registration to be open from 9 - 10:30am, with all bikers to be off the course by 11:30. Foot orienteering registration will be from 10:45 - 1:15, with starts allowed any time between 11 - 1:30, and course closing at 3pm.

Special Entry Fees:

Member using their own epunch: \$5 foot, \$10 MTBO, \$15 for both

Member renting an epunch: add \$5 to above amounts (and use for one or both events)

Non-member using their own epunch: \$10 foot, \$15 MTBO, \$25 for both

Non-member renting an epunch: add \$5 to above non-member entry fee (and use for one or both events)

Juniors: \$5/event plus \$5 if non-member plus \$5 if epunch needed.

Any youth or large groups attending, please contact Meet Director [Dave Levine](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.
