**February 26
Sunday**

Welcome to the first Avalon event of 2017, featuring a full set of classic courses (white/beginner through blue/advanced) courses for you to choose from, courtesy of course setter Ted Good. Final course stats and comments as well as map notes are now posted below.

A few additional notes:

- **BE CAREFUL crossing the park road.** Getting to the start as well as to the finish requires crossing the park road, so pay attention!
- Dogs are allowed in this park and should be on a leash at all times.
- Restrooms will be near the parking/registration area.
- Speaking of parking: carpooling is encouraged for the sake of all park users.
- This section of Patapsco is pretty steep, so take that into account when choosing your course.
- Remember: No Drinking Directly Out of the Water Bottles! Use the provided cups.
- Have any questions? Just use our handy [Contact Us](#) [2] form.

As usual, youth groups and other large groups planning to attend this event should contact the [Event Director](#) [3] well in advance so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [4] is part of the information on our [Group Leaders](#) [5] page.
