**April 2
Sunday**

Welcome to QOC's second-ever

event at Gunston Hall, the home of the father of our Bill of Rights, George Mason. The terrain includes forest of varying density, open fields, historic structures, and bluffs along the Potomac shore east of Lorton, VA, and we have a full set of courses (details below). Event timing is standard: register any time between 10:45 - 1:15, start any time between 11 - 1:30, and be back before 3pm.

The entrance to Gunston Hall (see directions below; overview map [here](#) [2]) is about 600 meters beyond the Pohick Bay Regional Park entrance on Gunston Road. Please drive with particular caution as you enter Gunston Hall. The first 300 meters of the entrance road is curvy and hemmed in by vegetation reducing the visibility of oncoming vehicles. Parking will be in the lot adjacent to the visitors center. The parking lot and the registration site right across the entrance road from it will be easily discernible as you drive in. Rest rooms will be available inside the visitors center and also in a separate outbuilding adjacent to the mansion itself.

Guided Tour Included: At registration QOC will collect a \$5 surcharge in addition to the regular meet fees. This surcharge covers Gunston Hall grounds fees for each participant, and it entitles participants to take one of the guided tours of the Hall offered during the day at no additional cost. [Gunston Hall staff would appreciate it if you would sign up before your orienteering run for a later tour so they know when to expect you.] Tours will be available on the hour and half hour starting at 10am, with the last tour at 4:30pm; just present your course map (before or after your run) at the front desk inside the visitors center to sign up (max tour group size ~20). To learn more about Gunston Hall, the home of the principal designer of the Bill of Rights, George Mason, visit the [Gunston Hall website](#) [3].

Any youth or large groups attending, please contact the [Event Director](#) [4] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [5] is part of the information on our [Group Leaders](#) [6] page.

Additional notes:

- Dogs are allowed, but must be on a leash at all times.
- Spikes are not allowed in the Visitor Center.
- Please respect the out-of-bounds areas shown on your course map.
