Night orienteering returns - including a family-friendly "Scare-O" - so please join us for this Fall's romp in the dark! Register at the event between 6:30pm - 7:45pm, start any time between 7:00pm - 8:00pm, and be back no later than 10pm. Registration, start and finish will be in at the central Hemlock Lodge; please park where directed and walk up to the Lodge.

Traffic Warning! If you are planning to drive through the town of Clifton, allow extra time due to Halloween activities taking place tonight (Saturday).

Any youth or large groups attending, please contact the [Event Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

Additional notes:

- For this night event, please do not take dogs with you while you are out on your course.
- Scare-O map scale is 1:2500; additional Scare-O details are posted below (as course setter comments).
- Please avoid running near any of the houses near or off the map edges.
- Want to learn more about headlamps? Check out [this thread](#) [5] on AP, or ask QOC members Ted Good or Greg Lennon, who have the Petzl Tikka RXP (available at REI and elsewhere) and Cree 1800lm (eBay!) headlamps, respectively. Although not orienteering specific, general reviews sites include [this one](#) [6] and [this one](#) [7].
