**April 16
Sunday**

Mark Easter Sunday on your calendar as the date of the first ever orienteering event in Cunningham Falls State Park, near Thurmont, MD! Also as the date of the end of any collective case of charcoal platform envy we in QOC may have been suffering vis-a-vis our friends in DVOA and SVO. Due to both park and terrain restrictions, this event will be limited to advanced orienteers - no beginner or intermediate courses will be offered. Online registration is now closed and was required.

For non-orienteers, other diversions are available - sadly, the park's playground is currently being renovated and the aviary won't open until May but they can enjoy a hike in the park (the views from Cat Rock and other overlooks are quite fine), a visit to the Catoctin Furnace, or a visit to the adjacent Catoctin Wildlife Park and Zoo.

A couple of park notes: dogs are allowed but must be leashed. There is an honor box at the entrance to the Manor Area where you should pay \$3 per vehicle for MD residents or \$5 per vehicle for non-residents.
