January 7
Sunday

Welcome back to Greenbelt National Park, MD, where a full set of seven courses will be offered, courtesy of veteran course designer and top adventure racer Victor Lin.

Advance registration is required and is now open [here](#) [2]; please read the few sign-up tips especially if you are registering a group (2 - 4 people total). We will not be allowed to offer day-of registration at the event site due to park rules.

Timing: Check-in for pre-registered participants will be from 10:45am to 1:15pm, who may start anytime between 11 - 1:30. Everyone must be out of the woods and back at the registration/finish area by 3:00pm, which is when we will begin picking up the controls.

Any youth or large groups attending, please contact the [Event Director](#) [3] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [4] is part of the information on our [Group Leaders](#) [5] page.

Additional information:

- Parking is somewhat limited at this site, so carpooling is encouraged.
- Dogs are welcome, so long as they are on a leash at all times.
- We do have access to full restroom facilities.
- There are no entrance fees to this park, and parking is also free.
- Reminder: At water stops, do not drink from the jugs. Use the cups that are provided.
- Have any questions? Just use our [Contact Us](#) [6] form and fire away.

Spare a Tissue (box)? Amy Loudon, a public school teacher when she's not orienteering or providing apres-orienteering cookies at the e-download table, could use some tissue (kleenex) boxes as donations to her school. If you have new ones to spare, bring them to this event and donate them to a good cause!

Location

Greenbelt National Park, Sweetgum Parking,
Greenbelt, MD (Classic)

Registration

Advance registration is required and is available [here](#) [2]. Please read the sign-up tips especially if you are registering a group (2 - 4 people total). We plan to close registration Saturday evening at 10pm.

Start Times

You may start your course at any time during the start window listed above.
