March 18
Sunday

QOC invites you to the historic Stuart's Hill section of Manassas National Battlefield Park once again (and we do mean again, since this a newly rescheduled event)! Stuart's Hill terrain is more open, with large fields rare for our venues but also with woods of all degrees of runnability. Event timing is our standard: register any time between 10:45 - 1:15, start any time between 11 - 1:30, and be back before 3pm.

Preliminary course lengths are now posted below and comments will be posted closer to the event. For those of you thinking of moving up a level, this is probably a good event to go for it, since the park is fairly flat and constrained, so you may enjoy running on a course that is a bit longer than your usual. Youth groups or other large groups planning to attend this event: make sure to let the [Event Director](#) [2] know in advance about your group so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.

Nearby Attraction: The park's Henry Hill Visitor Center, located at 6511 Sudley Road, Manassas, VA, will be open from 8:30am - 5pm, and it's free. This museum has both static and dynamic [displays](#) [5], plus a 45 minute movie ('Manassas: End of Innocence') focusing on the Civil War battles that took place here, including over the terrain covered by our orienteering courses.

Please note the following about this park:

- **Good news!** This national park no longer charges any entrance fee.
- Climbing on cannons and monuments is not allowed.
- Pets must be kept on a leash.
- Hunting for relics is strictly forbidden.

- Map scale and sizes will be posted closer to the event date.
