March 25
Sunday

Welcome to the first Avalon event of 2018, featuring a full set of 7 classic courses (white/beginner through blue/advanced) courses for you to choose from, courtesy of course setters Jan & Alexis Merka. Final course stats and comments will be posted soon below. The event parking and registration will be in the "far" parking lot, located 1.5+ miles further (northwest) along the park road from the "closer" Avalon parking area that we used for our last Avalon event. Event timing is our usual: register any time between 10:45 - 1:15, start any time between 11 - 1:30, and be sure to check back in before 3pm. A few additional notes:

- **BE CAREFUL crossing or walking along the park road.** Getting to the start requires walking along the park road, so please pay attention!
- This park is steep, and the advanced courses may be on the long side, so take that into account when choosing your course.
- Map scale will be 1:5000 for white and yellow courses, and 1:10000 for all other courses. Green, red and blue courses will be on legal size paper.
- Dogs are allowed in this park and should be on a leash at all times.
- Restrooms will be near the parking/registration area.
- Speaking of parking: carpooling is encouraged for the sake of all park users.

- This section of Patapsco is pretty steep, so take that into account when choosing your course.
- Remember: No Drinking Directly Out of the Water Bottles! Use the provided cups.
- Have any questions? Just use our handy [Contact Us](#) [2] form.

As usual, youth groups and other large groups planning to attend this event should contact the [Event Director](#) [3] well in advance so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [4] is part of the information on our [Group Leaders](#) [5] page.
