January 27
Sunday

Welcome back to this section of Patapsco Valley State Park, where you'll find fairly typical ridge/valley terrain (similar to Avalon/Orange Grove), with steep hillsides going down to the streams, an extensive trail network, and small rocks scattered about. The full set of courses (white through blue) will be available, and course stats and course setter comments are now posted below along with map notes. Event timing will be standard: register at the event between 10:45-1:15, start any time between 11-1:30, and be sure to check back in at the epunch station before 3pm.

Group Leaders: please see our [For Group Leaders](#) [2] webpage and then contact the [Event Director](#) [3] so your group can get pre-registered in advance.
