June 2 Sunday

Welcome back to Jug Bay Wetlands Sanctuary for the 44th Annual Chase, one of the longest continually running annual orienteering races in the US!
The Chase returns along with our Annual Meeting & Potluck Picnic, celebrating QOC's successful 2018-2019 Sept - June season. Newcomers are welcome, and there will be courses suited for all levels from beginner to advanced.
As is the tradition for this event, there will be a common mass start at High Noon for all courses.
This event is free to all members who pre-register, and non-members who pre-register get discount member rates. Pre-registration is now open - click here to register. [Want to become a member? Info here.] Although somewhat discouraged just to save our volunteers time at this fine event, you can also register at the event between 10:30 - 11:30am, albeit at regular event prices.

Schedule of Events
10:30am - On site registration opens
11:30am - On site registration closes!
11:33am - Annual Meeting/Voting for Board Members
11:50am - Maps distributed and Pre-Race Brief
12:00pm - Mass Start for The Chase
So here's how the event will run, at least in theory:

- Pets are not allowed at this venue. No exceptions.
- Convenient parking is a bit limited so carpooling is encouraged (and in some cases, so are designated drivers!)
- Please don't wait until the last moment to show up since everyone needs to be registered well in advance of the mass start.
The (brief) Annual Meeting and Election of Officers will take place at about 11:30 prior to the start of the Chase.

• Beginner instruction (about orienteering, not, drinking) will take place from 11 - 11:30 (only).
• All registrations for this event are individual (i.e. there are no group registrations).
• We've been asked to repeat this: dogs are not allowed at Jug Bay, for their sake and for the sake of numerous traps and food caches used in ongoing studies by the Univ. of Maryland and the Smithsonian.

The Annual Meeting of the Quantico Orienteering Club General Membership will take place on Sunday, June 2, 2019 promptly at 11:25 AM in conjunction with the Jug Bay Event in the area of the Caretakers House, Bristol Maryland. The Election of Officers for 2019-2020 Season will take place at the meeting. The Nominating Committee, chaired by Heidi Onkst, has recommended the following slate of officers for the coming year.

President: Jody Landers
VP of Competition/MD: Tom Nolan
VP of Competition/Permits - MD: Mike Newman
VP of Competition/VA: Charles Carrick
VP of Competition/Permits - VA: Bill Wright
Treasurer: Karla Hulett
Secretary: Laura Linville
(ExOfficio): Jon Torrance

We would like to thank and acknowledge Vic Culp, who has dutifully and diligently served as the Club Treasurer for the past 11 years and has decided not to stand for re-election this year. We heartily thank Vic for his stalwart service and wish him much success in his future endeavors. The Annual Picnic and Awards Ceremony will take place immediately following the running of the courses. Special thanks and appreciation to Dave Linthicum and Peggy Brosnan for graciously arranging for QOC's use of the Jug Bay area.

Picnic
QOC will provide beverages, desserts and paper goods. Attendees should bring picnic foods to share at this potluck. A charcoal grill is available and BBQing is encouraged. We recommend keeping food in a cooler until after you finish your run.

Race Overview

• The White and Very Short Advanced courses have only one loop and no map change.
• Yellow, Orange, Short Advanced, and Medium Advanced courses each have two loops and one map change.
• The Long Advanced course will have three loops and one map change.
• Everyone on a given course does their loops in the same order.
• Maps will be handed out at the starting line; don't look at the squiggly brown lines until the start is announced.
• You will need to have a cup filled with your "race beverage" of choice in hand; we'll have water, soda, and beer (adults only).
• The mass start will take place at noon.
• When the race starts, empty your cup (into you), throw it with style to the ground, turn over and look at your map (that means turn the map over, not, turn your body over), and figure out where to go. Or, just follow someone and hope for the best. Every orienteer does that now and then, so why not here and now?
• In contrast to most orienteering races, following someone is OK in this race... if you dare.
• After finding your controls in the correct order, you'll wind up back at the starting area.
• Punch the Quaffing Zone Entry control as you enter the beverage area
• After that, quaff another cup of your beverage of choice
• And punch the Quaffing Zone exit control before heading out for your next loop.
• The finish of each loop is near the start triangle of the next loop, but all loops start and finish in the same place. The start is just up the hill from the finish. Repeat this process until you've
completed all your required loops.
- Time stops after you’ve quaffed the last drop from your beverage of choice AND have punched the finish control.

Course Overview
This event will be a traditional Beverage Chase event. Courses are made up of loops. Participants will drink their beverages (water/soda/beer) before and after each loop.

- White: One Loop
- Yellow: Two Loops
- Orange: Two Loops
- Very Short Advanced: One Loop
- Short Advanced: Two Loops
- Medium Advanced: Two Loops
- Long Advanced: Three Loops

There will be just one mass start at noon for all courses.
Beverage of Choice will be consumed at the start, finish and in between each loop. Beverages are water, soda, and beer (for adults of legal age only...). There is a map exchange between loops (or the maps may be back to back in the same map case).
Following is allowed at this event but be wary of following anyone who might get lost!
