**November 17
Sunday**

The Susquehanna Stumble is a

Billygoat-inspired event with a couple of twists. The competitors run between most controls in normal sequential order, but occasionally enter a "window" where there are several controls which can be visited in ANY order.

The Long-Stumble event will be ~14 km in length, with commemorative towel for the first 25 (or more if available) finishers. Note to Long Stumble participants: QOC will provide high-capacity SI epunch dibbers to any registered Long Stumble participants who need them.

The Short-Stumble will be ~7 km with commemorative towels for the first 20 (or more if available) finishers.

There will also be white, yellow, and orange recreational courses.

Pre-registration is mandatory for both the Long and the Short Stumble (and is now openclosed). Registration for the Stumble will close Saturday at 5pm. Individual participants on the recreational courses, however, are not required to pre-register. Groups planning to go out on any rec course must contact the Meet Director and submit a group registration form three days prior to the event in order to assure an adequate supply of maps. Entry fees (detailed below) for all courses will be collected on site at the event (cash or check).

Mass Start for the Stumble courses will be at 11:00 am. Recreational course participants can start any time between 10:45 am and 1:00 pm. Stumble runners are not required to participate in the mass start, but all - YES That Means All - participants must be back to the finish area and download by 3:00 pm.

Note: Please be aware that a Redskins home game will be taking place at FedExField; kickoff time is 1pm. Traffic in the vicinity of I-495 exit 16 (Arena Dr) may be worth taking into consideration pre- and post-game.

Location

Patuxent River Park, Barn parking area, Upper Marlboro, MD (Recreational & Stumble Courses)
