Night-O returns to Prince William Forest Park Happyland (Camp 5) on Saturday evening, March 28. Come orienteer in the dark - it's fun, it's instructive, and we've got a warm lodge with a fireplace and convivial folks to hang out with after your run. This event occurs in the middle of the training weekend, but it is a separate event (open to everyone). [Training weekend attendees: your Night-O entry fee is already covered by your weekend registration.]

This Night-O event **requires pre-registration** which will open closer to the event date. Start your course any time between 7:30 - 9:00pm, and be absolutely sure to be back before 10:30pm. Course details for the 4 courses (1 beginner, 1 intermediate, 2 advanced - short and long) will be posted when registration opens.

Also, since this event is being held at Prince William Forest Park, a National Park Service venue, **each vehicle must pay the \$20 park entrance fee**, even though the entrance to Happyland is separate from the main park entrance. The only exception is for those with an annual Prince William Forest Park

or National Parks pass (such as a Senior pass); if anyone in your vehicle has such a pass, that covers everyone in the vehicle. You will not be able to pay the fee in person at Happyland and, unless you arrive very early, the visitor center will be closed, so you should use the **Prince William Forest Park Fee Pay App** available in the App Store or Google Play. For more information on the fee and the app, go to <https://www.nps.gov/prwi/planyourvisit/fees.htm> [2].

Driving directions are also posted below. We have not finalized the parking arrangements for the Night-O participants yet, but we will post the details as soon as they are available. Be prepared to walk up to 800 meters in the dark to the registration area, so have your headlamp or flashlight ready to go. We will try to get closer-in parking, but parking is tight in that area.

If you are not participating in the training weekend, cabin accommodations unfortunately will not be available. If you don't want to drive home after the meet there are several hotels/motels in the immediate area; just search for lodging in Dumfries.

Any youth or large groups attending, please contact the [Event Director](#) [3] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [4] is part of the information on our [Group Leaders](#) [5] page.

Any questions? Feel free to use our Contact Us form or email an event volunteer directly via the linked names below.

**Location** Prince William Forest Park, Camp 5 - Happyland, Triangle, VA (Night-O)
