

## Patapsco CCBC

[ShareThis](#) [1]

**May 2  
Sunday**

**Pre-registration is required and will open on Monday, April 26 at 6pm if our permit is approved. There will NOT be day-of registration.**

Welcome back to this section of Patapsco Valley State Park, where you'll find fairly typical ridge/valley terrain (similar to Avalon/Orange Grove), with steep hillsides going down to the streams, an extensive trail network, and small rocks scattered about. The full set of courses (white through blue) will be available, and course stats and course setter comments are now posted below along with map notes. This event requires on-line pre-registration which will open at 6pm on Monday, April 26, via a link that will be in the Registration section below.

Event check-in is at the CCBC parking lot.

QOC's [COVID risk reduction protocols](#) [2], as also enumerated [here](#) [3], will be in effect. Please read these guidelines carefully, particularly keeping in mind the need for participants to bring their own water for all their hydration needs before, during, and after their runs/walks.

Other points:

- **PROPERLY WORN MASKS ARE REQUIRED** at all times when near registration and e-punch areas and their volunteers. Per CDC guidelines, this applies to everyone, whether or not you have been vaccinated.
- There is no entrance or parking fee at CCBC.
- We encourage everyone to download and use any or even all of the [DC](#) [4], [Maryland](#) [5] and [Virginia](#) [6] COVID exposure notification apps.
- Dogs are permitted at this event but must be leashed at all times.
- The size of start teams (groups of individuals orienteering together with one e-punch) on a course must be no more than four (4) individuals (juniors and adults combined). Unregistered "tag-alongs" are not allowed (other than babies or toddlers). Any youth or large groups attending,

although you will be pre-registering online, please contact the [Event Director](#) [7] of your plans and numbers for their awareness.

- There is no planned, on-site beginner instruction, but beginners are encouraged to watch relevant videos such as [this one](#) [8] created by QOC's instructional guru David Onkst

Have any questions? Feel free to reach out to our [Event Director](#) [7] or for general questions, just use our [Contact Form](#) [9].
