**January 3  
Sunday**

***Pre-registration is required and will open Monday December 28 at noon (yes, our permit was approved - yeah!). There will be no day-of registration.***

King's Landing is a small park that QOC hasn't used since 2015. Welcome back!

Come out and enjoy courses designed by Mike and Pam Dvorsky on the updated Kings Landing map - also updated by them this fall - in this combined classic and score orienteering event at Kings Landing Park, Huntingtown Maryland. (course stats and course setter comments below)

QOC's [COVID risk reduction protocols](#) [2], as also enumerated [here](#) [3], are in effect. Please read these guidelines carefully, particularly keeping in mind the need for participants to bring their own water for all their hydration needs before, during, and after their runs/walks.

When you arrive, watch for guidance to the parking area from our volunteers, since the road to parking is narrow. Do not arrive before 9am since the gates will be locked before then.

Map pick up and check in will be in Pavilion # 2, and e-punch registration / download will be at the Equestrian Pavilion. All starts and finishes are nearby, but appropriately distanced to avoid clusters of people). Please make an effort to click and move on from these in consideration for others.

The start location for beginner and intermediate courses will be south of the Equestrian Pavilion.

*Reminder* - register with the e-punch team before starting your courses!

The start location for advanced and score-O courses will be east of the Equestrian Pavilion.

Any youth or large groups attending, although you will be pre-registering online, please contact the

[Event Director](#) [4] of your plans and numbers for his awareness.
