***Pre-registration is required and will open Monday Dec. 13 at 6pm (and close at noon on Sat. Dec. 18). There will not be day-of registration.***

Come out and enjoy a great selection of classic courses designed by Mike Dvorsky and set by he and his wife Pam. Please see the course notes below for an explanation of the wider selection of beginner level courses being offered. This may be the ideal time to test your skill and try a longer beginner level course. We will be registering and starting from the Pavilion Picnic area, Pavilion #1.

After the event, use our updated RouteGadget software to enter your routes to all controls, and then compare your way to the way others went. The user interface is now tablet- and smartphone- friendly as well as Java-free. Event maps and split times for all participants are usually online within a day of the event.

**COVID Risk Reduction Protocols:**

As with all 2021-2022 QOC events, this event requires pre-registration via the link below. QOC's COVID risk reduction protocols, as also enumerated somewhat [here](#) [2], are in effect. Please read these guidelines carefully. Key points:

- There is no planned, on-site beginner instruction, but beginners are encouraged to watch relevant videos such as [this one](#) [3] created by QOC's instructional guru David Onkst.
- There will be eight 15 minute check-in windows followed by two 45min windows (as for most QOC events this season).
