

## PWF Day-O

[ShareThis](#) [1]

**March 27**  
**Sunday**

*Note: per [ARDF.us](#) [2], this area is embargoed prior to April 6-10 for the 2022 ARDF Championships. As a result, anyone attending this QOC event may not compete in the ARDF Championships.*

**Pre-registration for this Sunday (day) event is required, opening Monday March 21 at 6pm and closing Friday Mar. 25 at 6pm; there will not be day-of registration.**

Quantico Orienteering Club will not host our traditional training weekend this year, but we will hold a night-day combo orienteering weekend at the former training weekend location – Camp 5, also known as Happyland, Prince William Forest Park, VA. The Day-O will be held on March 27. See the separate announcement ([here](#) [3]) for the Night-O on March 26.

We will hold registration for the meet in the lodge and you are welcome to change there and leave gear while you run, but due to our COVID precautions, we ask that you wear a mask while indoors, maintain social distance (except for immediate family), and depart as soon as possible after you complete your run. The Day-O on Sunday, will be run as our normal daytime meets with pre-registration and eight 15-minute check-in windows followed by two 45 min windows. We will have the full slate of classic courses (white through blue; detailed notes will be posted soon) for the Day-O. Parking is limited at the site, so carpooling is strongly recommended (and will save \$)! Note that the fee charged for each vehicle has been raised to \$20. Although you do not go through the main Park entrance gate to get to Happyland, you are still responsible to pay the entry fee and display the receipt in your parked vehicle. The \$20 entrance fee is good for 7 days, so you only need to pay once for the weekend. Since the park office will be closed on Saturday evening, you are encouraged to pay the fee online via [this link](#) [4]. (NOTE: the fee for an annual park pass is \$35; QOC members may want to consider purchasing an annual pass for this great park.)

Driving directions are also posted below. We will post the parking details as soon as they are available.

**UPDATE:** After entering the road to Camps 2 & 5 road from Route 619, turn right at the T-intersection and follow the road until you see the parking guide who will direct you to the correct parking area. Be prepared to walk up to 800 meters to the registration area, We will try to get closer-in parking, but

parking is tight in that area. We will have parking attendants to assist you in parking. Groups totaling 8 or more: although you will be pre-registering online (in groups of 4 or less per registration), for their awareness please let the Event Director know of your plans and participant numbers.

**COVID Risk Reduction Protocols:**

As with all 2021-2022 QOC events, this event requires pre-registration via the link below. QOC's COVID risk reduction protocols, as also enumerated somewhat [here](#) [5], are in effect. Please read these guidelines carefully. Key points:

- **PROPERLY WORN MASKS AND SOCIAL DISTANCING ARE REQUIRED** at all times when near registration, e-punch and any other areas or queues where volunteers and/or participants are congregating.
- No water will be provided. Provide for your own hydration needs before, during, and after the event.
- There is no planned, on-site beginner instruction, but beginners are encouraged to watch relevant videos such as [this one](#) [6] created by QOC's instructional guru David Onkst.

Additional information:

- The size of start teams (groups of individuals orienteering together with one e-punch) on a course must be no more than four (4) individuals (juniors and adults combined).
- Dogs are welcome in this park but must be kept on leash at all times.
- The rest rooms at Happyland will be open for our event. They are in a separate building. Ask in the Lodge for the location.

**Location**

Prince William Forest Park, Camp 5 - Happyland,  
Triangle, VA (Classic)
