

Kings Landing

[ShareThis](#) [1]

**March 5
Sunday**

Pre-registration is required and will open on Monday, Feb. 27 at 6pm and close at noon on Saturday March 4. There will be no day-of registration.

King's Landing is a small park QOC hasn't used since January 2021. However, thanks to the mapping efforts of Pam and Mike Dvorsky, an additional 960 adjacent acres of the Huntingtown Natural Resource Management Area (NRMA) is available for our use. A small portion of the NRMA was used for a summer short in July 2022, but this will be our first full event in this new area.

When you arrive, watch for guidance to the parking area from our volunteers or signs; since the road to parking is narrow.

Map pick up and check in will be in Pavilion # 2, and e-punch registration / download will be at the Equestrian Pavilion. All starts and finishes are nearby.

Check in will open about 9:45am and courses will open at 10:00am.

As always, please be off the course no later than 3pm and remember to download at our e-punch station even if you did not finish. We want to make sure of everyone's safety and status.

Free Beginner Instruction will be offered, but please reach out to the [Event Director](#) [2] if you have a group, so we can plan accordingly. Also, make sure to check out our [Your First Event](#) [3] and [For Beginners](#) [4] webpages. Beginners are also encouraged to watch relevant videos such as [this one](#) [5] created by QOC's instructional guru David Onkst. If they don't answer any remaining questions you have, just use our Contact Form and ask.

Group Leaders: Please see our For Group Leaders page if you are leading a youth or large group - even though you will be pre-registering online. Please contact the [Event Director](#) [2] to inform them of your plans and numbers.
