

# Stumble at Rocky Ridge PA

[ShareThis](#) [1]

## November 6 Sunday

While this isn't a QOC event, we encourage QOC members to head to this years Stumble. It will be held at Rocky Ridge County Park (near York PA). In addition to a Mass Start event for the (advanced; Short or Long) Stumble courses, there will also be White, Yellow and Orange level courses.

**Advance registration is now open** via the [SVO website](#) [2]; day-of registration available but at higher cost and without any guarantee of a pre-printed course map.

Background Info: The Susquehanna Stumble is an annual Billygoat-inspired event with a couple of twists. The competitors run between most controls in normal sequential order, but occasionally enter a "window" where there are several controls which can be visited in ANY order. The Short Stumble is usually ~8km in length; the Long is usually ~15km. Usually the first ~20 finishers on either course receive that year's (prized!) commemorative towel.

### Registration

Please check the SVO website (or perhaps the DVOA website; links are above) for registration details.
