Welcome back to the Avalon section of Patapsco Valley State Park, where you'll find fairly typical ridge/valley terrain (similar to the other PVSP areas), with steep hillsides both to the start and on the courses.

**IMPORTANT INFORMATION:** Due to parking and venue limitations, this event will only offer Advanced (Brown through Blue) courses. Registration will be limited to 100 orienteers **registering individually** and beginner instruction will not be provided.

In addition, Patapsco Valley State Park has a **strict rain policy**, which will force us to postpone or cancel the event in case of more than 1/4" of rain within the 24 hours preceding the event. Please **check the event status on this webpage** late Saturday evening and/or early Sunday morning before traveling to the meet if rain has been falling during the 24 hours preceding the event (**UPDATE: event will take place**). If we cancel the event, we will fully refund all registration payments.

The park collects entry fees, as follows:

A ranger may not be on duty to provide change or check your pass. Please remember to pay the fee and/or enter your pass ID on the envelopes at the entry gate, even if the booth is unmanned.

Dogs are permitted at this event but must be leashed at all times. There is no limit on the number of dogs that may attend as long as they don't require a parking space.
