

## \$33pp Late/WalkUp Registration

No Event Director wants to turn away someone who didn't register for an event, and now, spurred by insurance requirements and our hard-working volunteers, we have a \$33 per person walk-up registration form. This form can be used only if there are extra maps and the Event Director is assured the walk-up will be back by 3pm.

We heartily encourage you to avoid using this form! How? Just register and pay online before the event. It's that simple!
