Welcome back to **Happyland** at Prince William Forest Park! PWFP is home to some of the finest terrain in Virginia and has played host to many remarkable events, including: PWFP Training Weekend, Mid-Atlantic Champs, and Night-O. The terrain is that good! For this event, our course setter, Patrick Farley, is presenting a full series of classic courses.

#Breaking News - This event is being hosted out of Camp 2 @ Happyland, not Camp 5. All else remains the same, except a bit of mystery and curiosity about what Camp 2 terrain is all about!

Key Points:

- **Park Pass:** Purchase a daily or annual park pass [online](#) [2] before the event.
- **Registration** Check in at the tent at Camp 2.
- **Volunteer:** Your help is appreciated! Click [here](#) [3] to volunteer.

Parking/Driving Details:

A [detailed locator map](#) [4] is available to help you navigate from I-95 to [Mawavi Road](#) [5]. Once on Mawavi Road, take the first left and follow the road down to Camp 2. You'll see the familiar signs and faces guiding you to the parking lot. Please note, the locator map doesn't have Camp 2, but it shows Mawavi Road. Follow the signs after that.

Please note that you may have to walk a bit from the parking field to reach the registration area.

Important: Even though you're not using the main park entrance, you are still required to have a valid park pass. Make sure to [purchase and print your park pass in advance](#) [2].

Post-event Social: After your run, grab a bite with fellow orienteers at [Artisana Pizza](#) [6], located [here](#) [7], 9 miles east of the park.
