**April 6  
Sunday**

**Pre-registration is required and will open on Monday, March 31 at 6pm and close at 12 noon on Saturday April 5. There will be no day-of registration.**

Welcome back to Hemlock Overlook Regional Park's central core. It's been 5 years since we've been able to navigate the amazing terrain of the heart of the park. Be ready for very hilly, very open terrain that will provide exciting challenges for all.

Basing out of the park's central pavilion enables better use of all the features Hemlock has to present. This is one of QOC's classic spur and reentrant maps that we all know and love. And, with Spring breaking out, course legs that take you down to the banks of Bull Run are sure to be special part of your orienteering day.

For this season's Hemlock Overlook event, we will be operating out of the pavilion (not the lodge up on the hill as we have in the past). The pavilion is 200 meters straight inside the Hemlock main gate on the left and easy to find.

Parking is always slightly complicated at Hemlock because of the configuration of roadways inside the venue. Please drive slowly, be patient and look out for pedestrians. Any youth or large groups attending this event should contact the [Event Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver form is part of the information on our [Group Leaders](#) [3] webpage.

**Your Map = A Free Drink!** After your run, join other orienteers and volunteers at the [Main Street Pub](#) [4] in Clifton VA, located [here](#) [5] just a few miles north of the event. Bring your map to get a free (non-alcoholic) drink with any purchase, courtesy of Sean, one of the
