Orienteering at Wheaton

Welcome back to beautiful Wheaton Regional Park! In recent years, the check-in and start area was near the miniature train station, but this year brings an exciting change. Check-in has moved to the athletic complex area in the south side of the park. From this starting point, course designer Nadim Ahmed has crafted engaging and interesting courses that promise a fun experience for all participants.

Parking and Check-in

There is ample parking in the area. However, Wheaton Regional Park is a popular park. Carpooling is encouraged as a courtesy to other park users. Check-in and e-punch will be

located at the north side of the red restroom building, across the parking lot from the ice rink.

What to Bring:

Participants should come prepared with the following items:

- Comfortable outdoor clothing and sturdy footwear
- Water bottle and snacks (QOC provides no food or water)
- Compass and whistle if you have them. Loaners are available if needed
- Dogs are permitted at this event but must be leashed at all times.
